---

## Education

### High School

St. Anselm's Pink City School Jaipur, Rajasthan

03/2019

- Scored CGPA of 8.8 in 10th Grade
- Scored 87% in 12th Grade

### Electrical and Computer Engineering

REVA University Bengaluru, Karnataka

- Currently completing courses in computer science.
  - I am currently maintaining a GPA of 8.73
- 

## Experience

### Houseltt | WeSettle

Business Development Associate - Jaipur, Rajasthan

10/2020 - 10/2020

I made an attempt on this field during the initial lockdown.

My duties included promoting their company and bringing attention to them.

Through this small internship, I learned how to market and bargain with people, I developed some new communication skills, and I gained confidence in speaking up in front of others.
